

What we Believe:

We believe that the only true basis of The Springs Calvary Chapel is Christ's (Agape) love, which is greater than any differences we possess and without which we have no right to claim ourselves Christians. We are not a denominational church, nor are we opposed to denominations as such, only their overemphasis of the doctrinal differences that have led to the division of the Body of Christ.

- We believe worship of God should be spiritual. Therefore: We remain flexible and yielded to the leading of the Holy Spirit to direct our worship.
- We believe worship of God should be inspirational. Therefore: We give a great place to music in our worship.
- We believe worship of God should be intelligent. Therefore: Our services are designed with great emphasis upon teaching the Word of God that He might instruct us how He should be worshiped.
- We believe worship of God should be fruitful. Therefore: We look for His love in our lives as the supreme manifestation that we have truly been worshiping Him.
